The rebate will increase by \$5,000 with each \$1 million in sales price.	

The rebate will increase by \$5,000 with each \$1 million in sales price. ¹ In some cases rebates on new construction purchases are based on base price, not upgraded price. ² Rebate is based upon a minimum real estate commission of 3% being paid to the selected SMARTMOVE[®] broker on your side of transaction. If less than 3%, your rebate will be calculated pro-rata and will be less than shown above. ³ The following states historically do not allow cash rebates: Alabama, Alaska, Kansas, Louisiana, Mississippi, Missouri, New Jersey (sellers), Oklahoma, Oregon, Tennessee, and Iowa. Some restrictions may apply. Restriction: You may not have an active listing agreement or a Buyer Broker agreement with any real estate company in order to enter the program. Speaking with a SMARTMOVE[®] Personal Move Advocate does not obligate you to use the program.
